

SHINSHU TENRYUKYO

天竜ライン下り

Tenryu Rhine-kudari

"Tenryu Rhine-kudari" is exciting river rafting heading down the mountain stream in a small wooden boat of which navigated by boatman. Tenryu-gawa river sometimes changes its flow from violently to gently. You can enjoy a beautiful landscape that decorates the trees and various rock forms from the boat.

天龙川游览线是一条由船夫划着小木舟顺流而下，令您兴奋不已的泛舟之旅。天龙川水流时缓时急，可在船上观赏到奇岩怪石及各种树木，让您尽享美丽的自然风光。

Spring

The valley filled with pale green by the buds of trees in the spring-time. You can find mountain cherries and azaleas in the fresh verdure.

春天，发芽的树木将把溪谷染成了嫩绿色，在这新绿之中，野樱及岩间的杜鹃等各色花朵一并映入您的眼帘。

Summer

Bright sunshine and reflecting greenness of trees on the river in summer-time. Flowers of golden-banded lily bloom in the rocky stretch, and spray water makes us comfortable.

夏天，耀眼的太阳和绿色的树木映在河面上，岩石间盛开的天香百合及飞溅而来的水花，会让您感到无比惬意。

Autumn

Dark grey valley is filled with fall foliage in the fall-time. Sky seen from the boat is high and blue, surrounding is breathtakingly beautiful.

秋天，红叶装饰着深灰色的溪谷，您可在船上仰望着高高的蓝天，陶醉在周围令人窒息的美景之中。

Winter

Colors of trees are shaded, wintry landscape such as monochrome landscape painting is what you see in winter-time. It is also pleasant to go down the river with warm "kotatsu" boat."

*kotatsu: small table with electric heater underneath and covered by quilt.

树木的多彩渐渐褪去，呈现在您眼前的是如山水画般冬天的景色。乘着“被炉舟”顺流而下，也别有一番乐趣。
